

POSITION DESCRIPTION

Job Title: Conservation Officer (Casual)
Reports to: Regional Manager

SUMMARY STATEMENT

The casual Conservation Officer is responsible for assisting with the promotion and coordination of volunteer engagement within the region, and leading practical conservation activities. To be successful in this role, you will have demonstrated experience within the volunteer sector combined with experience in program administration and delivery. Well-developed communication and interpersonal skills coupled with demonstrated time management and problem solving skills will be highly regarded. You will also have strong computer skills with the ability to use a variety of programs. You will have an interest in practical conservation activities from recruitment through to on-site delivery as needed.

DUTIES

All CVNZ Employees

- Maintain a strong focus on Workplace Health and Safety and actively provide leadership to ensure all operations maintain a strong safety culture
- Increase community awareness of our organisation and its impacts through the promotion of CVNZ's purpose and projects
- Work in accordance with CVNZ Policies & Procedures and the Employee Code of Conduct
- Actively contribute to maintaining team morale & motivation
- Respond within approved procedures in the case of an accident or emergency
- Exhibit high standards of professional and personal behaviour

Volunteer Recruitment

- Implement the Volunteer Recruitment Action Plan within the region and record actions and contacts on Seedbank.
- Proactively recruit and maintain volunteer numbers to fill teams to agreed levels within the region
- Manage volunteer enquiries, providing customer service to current and prospective volunteers
- Travel within the region to promote projects and recruit volunteers when required
- Collaborate with peer Conservation Officers and Community Department to achieve national recruitment targets
- Write and post accurate project descriptions using approved style and template to promote CV projects and programs
- Take quality photographs of projects delivery suitable for publication on social media and in newsletters
- Assist with regional fundraising efforts

Volunteer Management

- Respond to volunteer enquiries in a timely and accurate manner as defined in the Volunteer Recruitment Action Plan
- Ensure all volunteers fully complete CV's Volunteer Registration process before commencing activities
- Ensure all volunteers are inducted using CV's standard induction format before commencing activities
- Ensure database record of volunteers is accurate and always up to date
- Work cooperatively within regional team and national operations to maintain safety and program delivery standards
- Organise project logistics, including catering, as required
- Liaise with Regional Manager to investigate any volunteer issues or complaints, and support / implement the agreed resolution

Team Leading

- This role includes a requirement for leading teams, this will vary by location in the amount of time allocated to field supervision
- Ensuring the general welfare and safety of volunteers/participants, including strict adherence to Conservation Volunteers OH&S policies and procedures
- Maintaining team morale & motivation
- Responding within approved procedures in the case of an accident or emergency
- Providing a mix of practical and conceptual on-site training

- Making logistical arrangements for the efficient completion of project activities, principally practical conservation tasks (this may include project scheduling, catering and accommodation requirements, tool selection and site maps, details of job specification)
- Ensuring the care, maintenance and safe operation of vehicles, trailers, tools and equipment
- Representing CV in the general community and setting high standards of professional leadership and personal behaviour (CV enforces a strict drug and alcohol-free policy)
- Completion of Project Leader Reports

Administration

- Update and maintain the CV database while ensuring confidentiality of data
- Regular reporting using set formats provided
- Comply with Volunteer Recruitment Action Plan daily/weekly/monthly/annual activities
- General office administration duties
- Other duties as directed by Regional Manager

ESSENTIAL QUALIFICATIONS AND EXPERIENCE

- The ability to seek out and inspire people to volunteer, and to encourage their commitment to Conservation Volunteers
- Effective communication and interpersonal skills across verbal, written and public presentations
- Proficient with Microsoft Word, Excel, PowerPoint, Outlook
- Demonstrated capacity for providing good customer service
- Full Drivers Licence
- Defensive Driving certificate obtained within the last five years
- Current Provide First Aid certificate or approved equivalent
- Occupational Health and Safety Level 3
